Rules for Practice Palooza 2016

1. While many students practice between 20 and 60 minutes every day, other who are practicing 5 or 6 days a week might find daily practice a challenge. Therefore, we have established a minimum amount of practice necessary to get credit for one day of practice. Here are the minimum amounts broken down by age:
Ages 3-6: 10 min. Ages 7-10: 15 min. Ages 11-13: 20 min. Ages 14+: 25 min.
2. Only **home practice** counts.
3. Practice must happen **every day**. If you miss a day, you will not get credit for practicing double the next day. However, in case of an emergency, you are allowed **one "oops" day**.
4. Once you have completed your day's practice, your practice partner will initial the Palooza Calendar for that day, or, if necessary, write in "OOPS!" and give you a can of food to put on or by your piano.
5. Each lesson, bring your cans of food to your lesson.
6. Present your Palooza Calendar and the remainder of your cans to your studio teacher at your first lesson after the Practice Palooza end date of March 17. Your teacher will submit your calendar for processing no later than **Friday, March 25**.
7. **Participants who successfully complete the Practice Palooza challenge will receive a prize and recognition at group class and will have their name published in the May DSR. Four Practice Partner names will be drawn to win a River Road Coffeehouse gift certificate.**
